ADVANCED HAIR REGROWTH SHAMPOO

with Clinically
Studied Ingredients

**2% MINOXIDIL
2% TRIOXIDIL™**

PREVENTATIVE + REPAIRING

DIRECTIONS: Massage into wet hair and scalp for 1-2 minutes. For best results allow the product to sit for another 3-4 minutes so that the active ingredients have time to work. Rinse your hair thoroughly. For optimal results apply at least 3-5 times a week and follow with Foligain Stimulating Conditioner.

Our deeply cleansing shampoo is expertly formulated for men and women suffering from hair loss or thinning hair. Our revolutionary formula is the first to combine clinically proven Minoxidil with Trioxidil, a triple action anti-thinning complex that works fast to deliver fuller, thicker, and healthier-looking hair.

For best results, use together
with our Stimulating
Conditioner, Intensive
Targeted Treatment, and
Stimulating Supplement
for Thinning Hair.
